

Steering Group Vacancy

bthechange CIC are looking for enthusiastic individuals who would like to support us with the community impact and inclusive elements of our strategic vision. There is the opportunity to deliver projects in each of these areas that will increase our Social Impact.

Our Mission

Our mission is to provide individuals immediate well-being support and practical guidance should they find themselves on the wrong side of the law for the first time (particularly when the offence requires Crime Prosecution Service involvement)

Through education initiatives we aim to discourage young people from crime by empowering them to explore, understand, challenge and change attitudes that may lead to anti-social or serious criminal activity.

Through training and employment enterprises we aid ex-offenders in re-engaging with society, thus transforming lives and reducing public spending.

As a member of the Steering Group you will:

- Support the organisation in deriving and implementing our Police custody exit referral programme, our prison support programme and our community social responsibility programme across Devon & Cornwall.
- Provide governance and support for funded activities and initiatives
- Provide knowledge sharing support and guidance for all projects
- Engage external individuals, organisations and agencies associated with the relevant aspect of our Vision, to provide support and expertise
- Take the lead on a specific project or area of work that this aligned with your skills, expertise and time available

PROUDLY SUPPORTED BY THE
Lloyds Bank Social Entrepreneurs Programme

- A team player who is a creative thinker, dedicated to promoting and developing our mission
